Continuation Sheet (PTOL-303) 110/035,659

Application No.

Continuation of 2. NOTE: The new issues: whether the changes to colaim 22, lines 3, 5,6,and 8 would make the claims indefinite and/or define over the prior art..

Continuation of 5. do s NOT place the application in condition for allowance because: the amendment was not entered. As to the Information Disclosur Statement: the Office only considers the reference in a properly filed IDS (see the prior Office action as to why the IDS was not properly filed). It is noted that APplicant has not pointed out any error in the objection of the IDS. It is argued that the IDS was in compliance - however this is only a conclusion. The Office has clearly pointed out why the IDS was improper and no specific error in that determination has been alledged by applicant.
